### Free Awana at Home Directors Kit

For years leaders have recognized that kids who do the best in Awana have help at home. A recent Awana® alumni study shows not only that, but also over 90 percent of those Awana kids **still attend church at least once a week as adults!**

Awana at Home helps you help parents become the spiritual leader God has called them to be and now you can get an Awana at Home Director's Kit Free!
