We need your help.

We cannot reach the 1.3 million children in Wisconsin for Christ by ourselves. Awana missionaries depend on the prayer and financial support of churches and individuals just like you. This is the reason for the **COUNT ME IN! FOR 2010** Ministry Campaign. Awana missionaries come alongside the local churches in the following ways:

- Supporting churches in reaching children and families through Awana clubs
- Train and encourage those who minister to children and youth
- Evangelize communities through regional events
- Promote Awana to evangelical churches throughout the area

Would you prayerfully consider becoming one of our ministry partners?

Campaign Goals
